Dear Parent or Carer

Re: Launch of Year 9 Option Process for Key Stage 4

Your son is about to start choosing the option subjects that he wants to take in Year 10. To launch this process you and your son are invited to attend a special evening on

Thursday 9th February 2012

at

6:30 - 8.30 p.m.

At this meeting we will have the opportunity to give you important information about what he will need to do and how you can support him in making his choices. Representatives from all subject areas will be there to answer any questions you or your son may have. You will be able to ask questions about the process and what students will need to do in the coming weeks.

You will also receive the following essential information to take home with you:

- Options booklet detailing the courses available
- Option Form to be completed
- Guidance resources on which qualification levels would be most suitable for your son

I would like to stress how vital we feel it is that parents and students attend this launch evening and hope that you will be able to attend.

We look forward to seeing you then.

Yours faithfully
